Jury Instructions

Jury Chair will provide pertinent information and interest received from previous convention workshop and over all convention evaluations to the jury members.

Assigned ratings should not be shared or any other type of communication that would influence other members of the jury.

Rate each selection on a scale of 1 to 5 (high). Consider the following for your rating:

- Appropriate Skill level of basket
- Design, type, description and techniques of basket
- Is workshop fee in line with other fees charged for the type of basket?
- Quality of workmanship of basket submitted
- Workshop hours appropriated for teaching the basket
